

CRANIOSACRAL THERAPY FOR BABIES WORKSHOP
with Richard Kramer RCST

Sunday 9 July 2017

9.30-5.00pm

cost: £95

Hornsey Vale Community Centre
60 Mayfield Road, Crouch End, London N8 9LP

This workshop is for qualified Craniosacral therapists, who wish to gain more experience and confidence working with babies. A fresh look at perinatal and neonatal conditions will be considered.

Richard's approach to babies is one of sheer delight and respect for their innate wisdom and ability to heal themselves supported by the practitioner's empathic listening.

This one-day course offers a practical approach to facilitate self-healing within a safe and supportive environment. During the afternoon session a number of babies will visit the workshop for treatments.

Course fee: £95 (£30 deposit). Early booking is advised, as numbers are limited. Please telephone or email to request a booking form.

- If you know of a baby that may benefit from a free treatment then please let Richard know at the number or email given below.

- Further information about the venue and local transport see :
www.hornseyvale.org
There is full access and an adjacent kitchen.

- This course fulfils CSTA's requirements for CPD - counts as 1 day (6 hours) primary CPD. A certificate of attendance will be issued.
